

## Multiple Myeloma Support Resources

Learning about multiple myeloma and staying informed could help you have more productive conversations with your healthcare team. But finding information about your diagnosis can be confusing and frustrating, especially if you're looking for it on the Internet. The organizations listed below provide information about multiple myeloma.

Information about these independent organizations is provided as an additional resource for obtaining information related to multiple myeloma. It does not indicate endorsement of an organization or its communications by Bristol-Myers Squibb Company.
